3. Must use sports facilities and accommodations within Okayama Prefecture.
4. Have an exchange project with local citizens.

Please contact us for more information.

The Major Athletic Field in Okayama

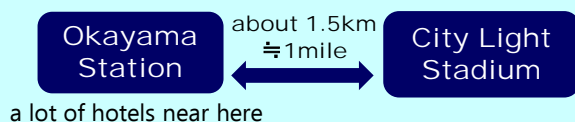

City Light Stadium

Okayama Prefectural Multipurpose Grounds Athletic Field

【Japan Association of Athletic Federation's first level authorization】

The stadium is located in the center of Okayama City that is 20 minute from the JR Okayama Station west exit. As one of the biggest athletic fields in Okayama Prefecture, it hosts various athletic competition events like J-League (soccer) and track and field events.

■ Major Events:

2005 National Athletic Meet at Okayama Track and Field Tournament

Inter-High School Championships in 2016 Track and Field

Kanzakiyama Park Stadium

The stadium has been accredited as a 3rd type facility by the Japan Association of Athletics Federations. It is equipped with an all-weather paved track and natural grass for field throwing events. The stadium is inside leafy Kanzakiyama Park, providing a great location to allow athletes to focus on the games.

Message from the Governor

Governor of
Okayama Prefecture
Ryuta Ibaragi

Not only does Okayama have a low incidence of natural disasters, in all of Japan, it has the most days where rainfall is less than 1 mm, earning it the name "Hare no Kuni", or "the Land of Sunshine".

We are very eager to invite camps for the 2020 Tokyo Olympics and the Rugby World Cup in 2019. We have prepared programs to support National teams and Athletes. All the citizens of Okayama are excited to cheer on the athletes so that they can challenge themselves to give their all!

There is no place like Okayama for sports camps and I can give you my greatest confidence in our ability to provide the best environment. We look forward to hearing from you!

Okayama Korakuen Garden

It is one of Japan's three most celebrated landscaped gardens as well as national spot of scenic beauty.
